

FADE IN

INT. LIVING ROOM - DAY

Male, 20s, sitting in a chair by the window. Sun hits the side of his face.

EXTREME CLOSE-UP

His pointer finger taps on the table lightly. The sound of a clock ticking in the background.

CUT AWAY

His eyes glance quickly diagonally upwards to the clock on the wall. Clock works

ECU

Squeezes lips and pants as if thirsty

ECU

Eyes glance back over to the other direction. His hands come into frame to grip the armchair tightly, almost scratching it with his fingernails.

MEDIUM CLOSE-UP

Throws his head back to stretch his neck as if he's in pain.

SIDE MEDIUM SHOT

He puts his head back down and breaths heavily.

He turns his head swiftly to the apple on the table

CLOSE UP

Red apple is wet and moves like it is at a duel. Similar to a Wendy's commercial.

ECU

Eyes are bewildered

MEDIUM SHOT

He grabs it with two hands and brings it to his lips. He is in ecstasy.

MEDIUM CLOSE UP

He bites into it and juice drips down the side of his mouth. He slowly pulls it away from his lips still chewing. His hands rest on the armchair and the apple rolls out his hand onto the floor. His hand falls loosely to his side.

ECU

The apple rolls into frame and slowly stops.
